

Alfred's Basic Piano Library provides a perfect fit for any student.

Willard A. Palmer • Morton Manus • Amanda Vick Lethco

Alfred's Basic Piano Library is the most flexible of any piano method, allowing the teacher to personally design curriculums for specific age groups and to meet the needs of each individual student. All of the beginning series are interchangeable at several levels; if a student demonstrates that he or she is ready to study at a faster pace, or perhaps requires a slower pace with more reinforcement, you may switch courses at convenient junctures in the method without missing any important musical concepts!

For the **very** young beginner, *Music for Little Mozarts* (ages 4-6) Books 1-4 lead into Prep Level C

* Ages are approximate
